

## CONGRATULATIONS TO LOUISVILLE, COLORADO: NAMED BEST PLACE TO LIVE BY CNN MONEY MAGAZINE

(Louisville, CO) August 31, 2009 -- Louisville, CO, the home of Zayo Group corporate headquarters, was named the **#1 best place to live** by CNN Money Magazine. The employees of Zayo Group congratulate the residents of Louisville for achieving this recognition.

Zayo Group is headquartered in Louisville's historic downtown. Envysion, a sibling of Zayo though common investors, is a couple blocks away from Zayo Group. Zayo and Envysion are the two largest employers in downtown Louisville. The employees of Zayo and Envysion enjoy Main Street's multiple coffee and breakfast shops, quaint lunch and dinner venues, ice cream store, and the local barber shop. A park within walking distance of Main Street includes three Bocce Ball courts, which get plenty of use by Zayo and Envysion employees on certain Friday evenings.

Louisville, which has 18,800 residents today, was founded in 1882 by immigrant coal miners. Louisville is six miles from Boulder and 25 from Denver. Its 30 miles of wooded biking and running paths wind through much of town. CNN Money magazine cited the combination of affordable housing, 300 days of sun a year, low unemployment, little crime, good healthcare, low taxes and prime location at the foot of the Colorado Rocky Mountains to support the #1 ranking.

"We enjoy our location in the City of Louisville," said Dan Caruso, President and CEO of Zayo Group and Chairman of Envysion. "It is not only a great place to live, but also to work. Congratulations Louisville!"
