

## **ZAYO GROUP TO PARTICIPATE IN TWO INDUSTRY CONFERENCES**

*CEO and COO to present at Pacific Telecommunications Council (PTC) and Metro Connect*

LOUISVILLE, Colo.– December 11, 2009 – Zayo Bandwidth, a regional provider of fiber-based bandwidth infrastructure solutions for carrier, enterprise and government customers, announced today that it will participate in two Industry conferences early next year.

Zayo Group President and CEO, Dan Caruso, will give a presentation at the 32<sup>nd</sup> annual Pacific Telecommunications Council (PTC) conference being held in Honolulu, Hawaii from January 17-20. Mr. Caruso's presentation is titled, "*The Consolidation of Fiber Based Telecommunications Companies in the United States*" and will be given on Sunday, January 17, 2010 at 2:10pm HST.
