# Nashville, TN

209 10th Avenue South

## ZAYO COLOCATION

zColo offers carrier-neutral connections to cloud, IP, financial/low-latency, content, video and peering ecosystems. Reaching a myriad of networks via direct connections across its many interconnect-focused colocation facilities, zColo also extends beyond its footprint to reach all on-net buildings across Zayo's robust fiber optic network.

*With 11,000 square feet of total space, zColo's carrier-neutral center at Cummins Station can handle the demands of the largest companies in Nashville and beyond. The facility provides carrier-neutral connectivity to 8 carriers.*
