

**INTERCONNECTION**

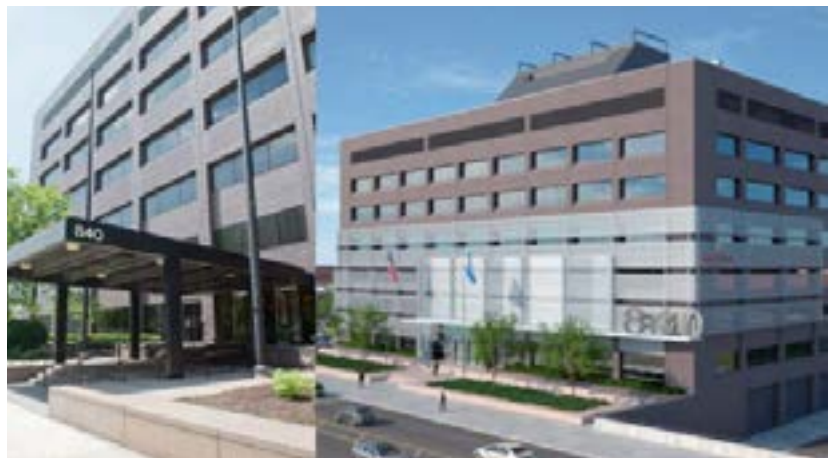

# Chicago, IL

840 S Canal St

**ZAYO COLOCATION**

zColo offers carrier-neutral connections to cloud, IP, financial/low-latency, content, video and peering ecosystems. Reaching a myriad of networks via direct connections across its many interconnect-focused colocation facilities, zColo also extends beyond its footprint to reach all on-net buildings across Zayo's robust fiber optic network.

*zColo's downtown Chicago facility on Canal St offers available connections to 16 carriers and an easy connection to 350 E Cermak. This facility provides a downtown connectivity option to serve the financial industry, media and other Internet content customers.*
