

COLOCATION

Santa Clara, CA

5101 Lafayette St

ZAYO COLOCATION

zColo offers carrier-neutral connections to cloud, IP, financial/low-latency, content, video and peering ecosystems. Reaching a myriad of networks via direct connections across its many interconnect-focused colocation facilities, zColo also extends beyond its footprint to reach all on-net buildings across Zayo's robust fiber optic network.

zColo's Bay-area facility in Santa Clara offers direct connections to 4 carriers. It is also an easy connection to 11 Great Oaks, San Jose and walking distance to the 49ers Stadium

SPACE AND POWER

- up to 14,000 sq ft of data center space
- Single cabinet and custom cage deployments
- AC/DC breakered and metered power available
- 3MW critical load
- Tier III design standards with minimum N+1 mechanical and power

COOLING

- N+1 redundancy
- Grey water used as the primary cooling water source
- Cold-aisle containment available

FACILITY AMENITIES

- Loading dock and package service
- 4,000 sq ft of office and customer space
- 4,000 sq ft of support/tech/storage space

RELIABILITY

- 24/7 security & monitoring
- Cross zoned smoke detectors, dry pipes
- Off-site alarm monitoring and fire department dispatch
- Seismically reinforced to an importance factor of 1.5
- Dual level authentication (biometrics and card reader) access in place for all areas of the data center
- Man Trap with anti-tailgating
- CCTV with 90 day video storage

CONNECTIVITY

- Diverse fiber entrances and backbone infrastructure
- Connectivity to Zayo long haul and metro networks
