

OUR FIBER FUELS GLOBAL INNOVATION

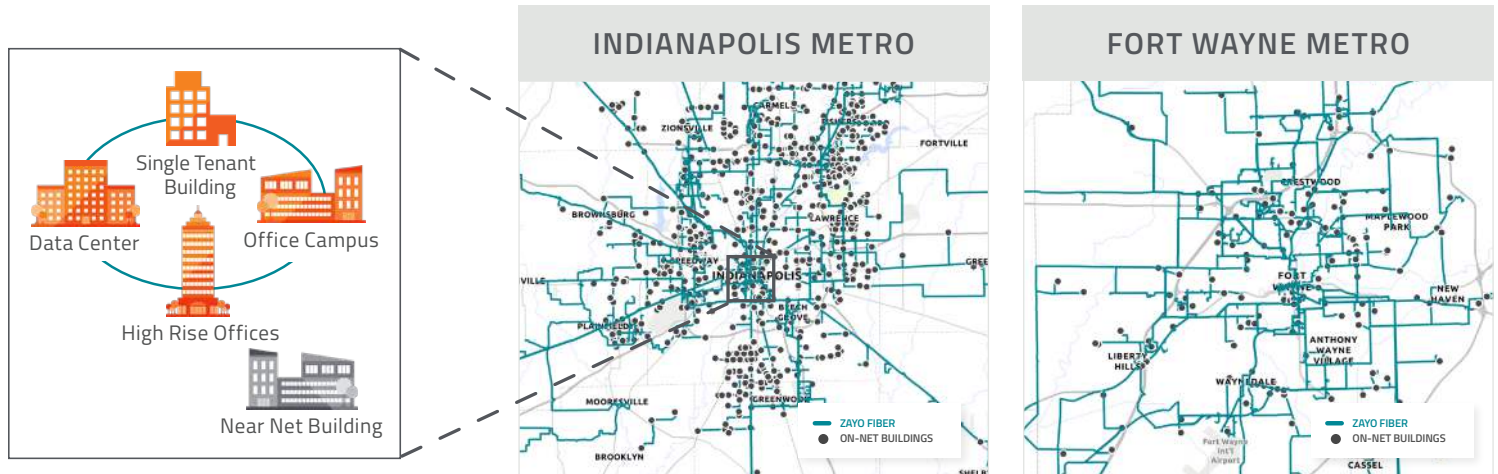

ZAYO IN INDIANAPOLIS & FORT WAYNE

Market Overview

Your users demand a flawless online experience. And Zayo delivers just that.

Zayo is a Tier-1 Internet and networking force in the Indianapolis and Fort Wayne metro areas. We did the hard work. We built and operate the largest fiber-optic networks in the area – and now we will put it to work for you – with a local support team who'll be with you through every step of your network's evolution.

Work with us directly for carrier-grade network quality and an effortless local experience.

Getting started with Zayo is easy. We can streamline your network and help your business grow with our **Shielded Internet Access Product Offer: Dedicated Internet Access + DDoS Protection + Optional Cloud Connectivity.**

- **Internet Access:** a dedicated connection from Zayo
- **Attack Protection:** protection against the inevitable Distributed Denial of Service (DDoS) attack
- **CloudLink Upgrade:** a direct connection to your Cloud Service Provider – virtually eliminate download charges

Improved reliability, security, and performance.
Your path to the best Internet experience – all for one competitive monthly price.

*At your site, run all three services on a single port, or choose to run them on individual ports for greater protection from outages.
