

UTM

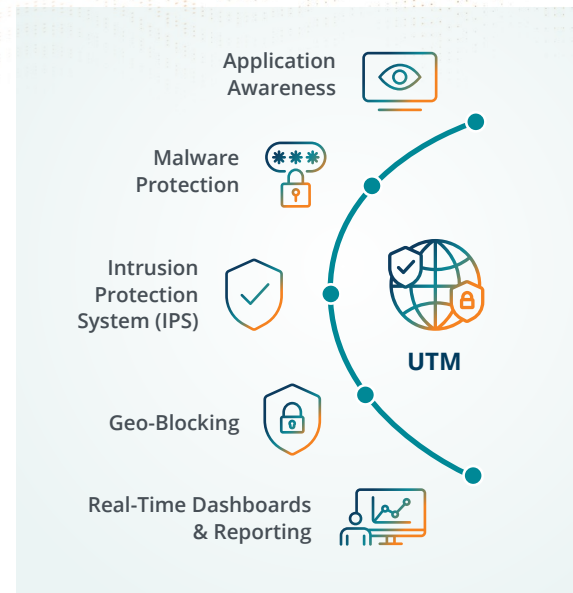

EDUCATION

Proactive Unified Threat Management Solution

Our scalable unified threat management solution consolidates multiple security and network capabilities into a single, co-management and reporting service.

10 Key Ways Zayo Education's UTM Can Help Protect Your Network

- Continual performance monitoring with proactive support from Zayo Education's 24x7x365 CTAC
- Web-based user interface for co-management, visibility, and real-time reporting
- Dedicated one-call support for rule changes, additions, and configuration modifications
- Application layer firewall
- Identity-aware firewall policies
- Malware protection
- Geo-blocking
- Deep packet inspection
- SSL interception and decryption
- Remote access and site-to-site VPN

Multi-Factor Authentication (MFA)

MFA is an available feature with Zayo Education's UTM. If your organization has an existing MFA solution that you'd like to integrate with our UTM solution, contact your account service manager.

About Zayo Education

In 2022, Zayo, the largest independently owned fiber network in North America, acquired Education Networks of America (ENA), a top-five E-rate service provider involved with the E-rate program since its inception in 1996. Zayo empowers some of the world's largest and most innovative organizations to connect what's next. The Zayo group of companies connects 400 global markets with future-ready networks that span over 18 million fiber miles and 145,000 route miles. Zayo's tailored connectivity solutions and managed services enable carriers, cloud providers, data centers, schools, and enterprises to deliver exceptional experiences from core to cloud to edge.
